Dear Residents & Businesses of South Russell,

For the past several years, the South Russell Police Department has participated in the “Shop with a Cop” program to help provide deserving children and their families the opportunity to enjoy a better holiday season. Last year, you helped to raise funds which allowed for nine children from four different families to go holiday shopping with our police officers.

Our program helps families give their children a holiday to remember. The children are transported in a motorcade of police cars to the shopping location where they’ll spend hours shopping for themselves and their family members. After shopping, all participants enjoy a pizza party at the police station. I would like to express my sincere gratitude to the businesses who helped make the 2015 event a great success.

Over the past years, South Russell businesses have supported this program with generous donations. Please accept my sincere “thanks” in supporting this heartfelt program.

If interested, you may send donations to the address below or leave a message on my voicemail and will make arrangements to pick up at your place of business.

If you have any questions, feel free to contact me at any time.
