

# Northeast Ohio PROFESSIONAL RAIN GARDENER

**Rain gardens are bowl shaped gardens that work with nature to collect and filter rainwater.**

## Train to be a Professional Rain Gardener!

Learn to design and install rain gardens for your clients and become a rain garden expert. Graduates will receive a Professional Rain Gardener Certification, which can be used to promote your expertise and as a selling point for your business. Courses are open to residents of Northeast Ohio.

**Online Course: \$75**

**February 1 – March 12**

Recorded class webinars can be watched at your convenience with live Q&A sessions every week!

**In-Person Course: \$100**

**July 21 – August 25**  
Wednesdays, 10 a.m. – 2 p.m.  
The Holden Arboretum

Five in-person classes with a gap week before Class 5.
