

## WVP MISSION

To connect with community members concerned about the health of local watersheds.

Volunteers can take a part in a wide variety of **learning, outreach, monitoring** or **restoration** opportunities to make a positive impact in our community.

## CONNECT. LEARN. GIVE BACK.

The Watershed Volunteer Program (WVP), established in 2012, is offered through the Cleveland Metroparks. This community science program is supported with funds from the Northeast Ohio Regional Sewer District. In 2021, over 140 participants contributed more than 2,200 hours of service to give back and improve Northeast Ohio waters.

## RECRUITMENT OPEN

We invite you to join us for a virtual orientation to discuss why you care about water and how you can link up with others that do too.

Register here: <https://rb.gy/kqhy65>

When: Sat, Jan 15, 10-10:45 a.m. OR Wed, Jan 19, 6-6:45 p.m.

Where: Online/WebEx (link will be sent 3 days prior)
