SOUTH RUSSELL VILLAGE MANOR BROOK STREAM RESTORATION PROJECT

You're invited to a walking tour of the Manor Brook Stream Restoration Project. Join South Russell Village, Chagrin River Watershed Partners, and the engineering and construction teams to learn about this project. Supported by the Ohio EPA Section 319 Grant Program, the goals of this project are to help address community stormwater concerns, improve the function of the stream, and provide downstream water quality benefits to McFarland Creek and the Chagrin River.

WHERE

Please park along Manor Brook Drive, west of Chillicothe Road in South Russell Village. We will walk as a group to the project site, which is located on the northwest corner of Manor Brook Drive and Chillicothe Road.
