The regularly scheduled, sunshined Properties meeting was called to order by Cavanagh at 1:01pm, July 11, 2024. Attendees were Councilmen Canton & Cavanagh, Streets Commissioner Alder, Chief Rizzo.

Rizzo explained updates to the proposed Drone garage. There had been a suggestion at Council to wait until the Village Reserve study was completed, however Rizzo feels compelled to move forward before weather inhibits building. Funding up to \$150K is assured.

Architectural drawings need to be completed and approved by ABR & Planning. There have been 3 offers of blueprints, ranging from \$2,500 - \$10,000, tbd. Electrical will need to be upgraded from 100 to 200 amp.

Building to be detached, approximately 10 ft. south on driveway edge. Cavanagh suggested breezeway or cover so officers don't walk in snow, slush, etc.

Streets Alder discussed the itemized pricing for our Rocky Mountain double bathroom. Canton gave price list to FO to distribute to Council at August meeting. ADA discussed, will be compliant. Options chosen are gender signs, vent & latch.

Alder working with Underground Railroad Eagle Scout candidate, Jack Overman. Committee decision to forgo brick walkway to Harvey Butterfly Garden, but to mow closer in case wheelchair access necessary. South Park Masons flagpole will have brick surround soon. Bench and plaque have arrived, will also be placed soon. Alder will talk with Judith Mitchell/Davey Tree again regarding Rain Garden; was to be completed in late June.

Tim Alder plans last work day will be 8/21/24, given vacation and flex time settling. Cavanagh and Canton agree Alder will be very difficult to replace, are very sorry to see him go.

Next meeting scheduled for August 15, 2024.

Respectfully submitted,
