**Subject:** Properties Cmte., 1/19/26, 3:15 pm.

The scheduled, sunshined Properties Committee met at Village hall on January 19, 2026, at 3:15 pm.  
Attendees: Cavanagh, Canton, Rensel, Young.

Christmas lights will be displayed through MLK weekend (tonight) and will be taken down and stored when the temperature is above freezing. Roping and ground level decorations are being removed currently. Cemetery wreaths will be discarded. New bins need to be purchased to store lights, etc.

Discussion regarding the SE corner lot and proposals for use. Canton suggested asking the constituents via email and newsletter what they would be interested in having on the lot? The topic of the Farmers Market, contract, parking was discussed. Cavanagh asked Young if more parking could take over the space now occupied by old Salt dome? Yes, with qualifiers. Young stated that SRV can do our own parking space striping on our property. The goal is to park orderly and Not intrude on Police vehicle space and use.

Young reported that he again contacted CMG to come straighten the stacks on the Park Bathroom. CMG stated they will stop next time they are nearby. Cavanagh stated she wanted a firm date. The good intent to keep the bathroom open during winter has not worked well. One door has been bent due to ice blockage and resultant forcing it open. To be repaired in-house.

The Bocce Ball 'committee' intended to meet with Streets, but unfortunately Young was unable due to a burst sewer pipe at the Walters/Hemlock culvert. Sewer pipe repair completed this afternoon. Young will reschedule with Muffi Sherwin and Boccas.

Discussed Trash Day date, April 25, and Senior pickups the 3 days preceding. Regardless of County schedule, Young stated there should be no problem with any of the current SRV scheduling. There was further discussion about the wording for Go Green Grant and June's Tire Grant.

Meeting adjourned at 3:56 pm.

Next meeting scheduled for Monday, February 16, 2026 at 3:15 pm.

Respectfully submitted,  
Ruth Cavanagh
